1. Teresa Carpenter: Playgrounds, Pavilions, etc. – requests \$100,000 budget; concerned about ball flying and hitting children at playground – can we budget a net; just one (1) pavilion at Playground at Ball field – leave room to build later
2. Scott Baker: Recreation Center – proposing joining Owens Cross Roads Recreation Center with New Hope Recreation Center to be a unified Recreation Center with a new name. Kids would play in both parks, etc. Extensive discussion followed by all present with some being wholeheartedly for it and some being completely against it. Some fear OCR will lose our identity and control of OUR park. Some feel there is no chance of “come back so late in the game.”
3. James Mann: Volunteers at FD # 1 – can we allow a couple of volunteers to begin working at FD # 1? They would be doing cleaning, set up, etc. Like worker bees. no firefighting involved.
4. James Mann: Mosquito’s – received lots of negative comments about mosquito truck not running as often as in the past. Beau Hill has been instructed to spray at minimum 3 x week, etc. Beau Hill has requested an electric pump to use to disperse mosquito mix into the spray machine. Approved.
5. Jason Dobbins: Cameras – continuing to research options on security cameras to be placed throughout city at different high traffic areas such as new parks, sites frequently dumped at, etc.
6. Christie Eason: Redistricting Information – will attend State hosted redistricting on Sept 1st. If anyone is interested in attending with her, let her know.
7. Christie Eason: Congressional Lunch (August 16th) – who is going? James Mann, Terry Mann, Chief Dobbins, Christie Eason. Christie will register everyone.
8. Christie Eason: Flag – general consensus that good idea and to get quotes.
