1. Robert Lewis, community member – He has ideas to make social security benefits better, asking for help with the right political contact. Mayor Craig will introduce him to Ritchie Whorton; asked him to come by on Friday morning to meet with him personally.
2. Resolution 23-005: Bulk Trash Truck – much discussion on whether a large trash truck purchase vs a grapple trailer purchase would be better for the city at this time. Grapple trailer can be purchased for \$50K, hitch can be added for \$500. Also want a specific job description for bulk trash operator. City Clerk asked to find out more information: 1) specifications on the particular truck that the county is willing to sell the City 2) does AMIC require driver to have a CDL if the truck doesn't require it.
3. Resolution 23-006: Cyber Security Contract with ICS Cyber Management – did not discuss
