4. Ordinance No. 24-005: Rezoning of Property on G. Carpenter Road

Matt Balch, City Attorney, asked to speak - the discussion at the Planning Commission regarding the rezoning of said property raised a few concerns; City Attorneys are officially recommending to table Ordinance 24-005 and continue to a special council session (or next Council Session) so that the attorneys have a chance to review. They want to protect the city before any action of this magnitude is made.

Councilman Terry Mann asked why a special session and why could it not wait until the 28th?

Matt Balch, City Attorney, stated it is our due diligence to have a timely response, but the decision is up to the Mayor and the Council on the meeting to determine date.

Motion to adjourn, Elizabeth Craig; 2nd Claude Lang
