Mayor canvassed Council members for any comments/questions.
No one had anything except Councilman James Mann.

James Mann - *Fire Department is about to order a Cascade system to fill SCBA Air tanks. This is expected to cost \$55k and is part of the previously approved 2023-2024 budget. Chief Drake was not present to discuss, and was not aware this was being brought to the council members attention, however Councilman Mann felt that this was the most needed item to be purchased next so that Fire calls can begin in September/October. He has searched for grants to cover this expense but there hasn't been any luck so far. This will be part of asset control for the city/fire department.*

Matt Balch, City Attorney – *stated he thinks its best to have full disclosure on purchases/expenses, city is growing and expenses will grow right along with it.*

Motion to adjourn, Claude Lang; 2nd Elizabeth Craig
All in favor

ADJOURNED MEETING AT 5:2 P.M.
