

# CITY OF OWENS CROSS ROADS STORM SHELTER REGISTRATION

The **Storm Shelter Registry** is a service for Owens Cross Roads, Alabama and surrounding area residents to provide information about their personal storm shelters to help first responders in case of an emergency. Personal storm shelters can be cellars, basements, or a professionally installed storm shelter.

**ALL INFORMATION PROVIDED IS KEPT CONFIDENTIAL** and will only be used by first responders — fire, police, and emergency medical service — to help with emergency response, in the event your home or neighborhood are affected by a tornado or other disasters.

If your storm shelter is located within Owens Cross Roads City Limits then you should complete the following form and submit it to the Fire Department or to City Hall to add to the registry, or if you need to update information about your registered storm shelter, contact the Fire Department at 256-725-5172, Monday through Friday between 8:00 a.m. and 4:30 p.m. for assistance.
